SHORTHORN BREEDERS' ASSOCIATION **Semi-Annual Sale**

Elm Crest Farm

near PAWNEE, ILLINOIS

Wednesday, June 10, 1953

Scene in the Metz herd, Williamsville, Illinois. This is just one of the many strong Shorthorn herds located in the Sangamon District. They are regular consignors to this sale and are offering a bull and two females this time.

THE **Sangamon District** OF CENTRAL ILLINOIS

"There is no richer soil in the world . . . no area with a greater concentration of superior Shorthorns."

The Sangamon District . . . the area around Springfield, Illinois . . . is one of the world's finest farming sections. Shorthorn cattle always have played an important role in the diversified agriculture of the District. The farmers of this area believe in good seed and modern tools. That is why their Shorthorn herds are headed by bulls of national fame.

Because this is a diversified farming area the herds are not large enough to hold annual sales of their own. The twice a year Sangamon District sale has become their auction sale outlet. They point their best productions toward it. Seed stock from this sale have been dispersed to all corners of the nation. The word always comes back . . . "These are the good doing kind."

Sangamon District SHORTHORN

Group of heifers at Elmcrest Farm. Three are by Kelburn Banker Royal, one by Elmcrest Royal Banker, a son. The two heifers on the right, Elmcrest Rosewood 22d and Elmcrest Orange Blossom 26th, sell in this sale.

We are most pleased to have you at Elmcrest

Dear Friends:

Our sale manager and the Sangamon District breeders are striving to make each sale a more profitable one for you. We are all proud of the fine group of cattle that are being offered to you at auction here Wednesday, June 10, and hope that you will like them.

Sincerely,

Dr. Arthur H. Weiland
